Dear whomever this concerns,

My name is Lucy Lopez and I am a senior in high school who will be graduating at the top of my class in June of the year 2014. I am applying to this job because I believe I have the perfect qualities this position requires.

Throughout my high School years I have aquired some great skills. One of those skills happens to be that of being very attentive to detail and responsive to commands. Because of my participation in sports throughout my childhood and high school years I can cooperate with others very well. Being the secretary of Nutrition Club for Leuzinger High School allows me to take leadership and guide a group of people. These qualities and skills are what this positions strictly calls for.

I look forward to hearing from you soon and thank you very much for your time.

Sincerely,

Lucy Lopez
